ABOUT THIS WORK

Fight Coverage

Full-contact fight coverage — boxing, MMA, and Muay Thai, and the fighters who live it. Shot tight to the action and close to the people: the wraps, the corner, the exchange, the ground, and the quiet moments before and after the bell. Built to work fast in hard, low gym light and deliver frames that carry the weight of the fight.

COVERAGE STRENGTHS

- Marquee disciplines — boxing, MMA, and Muay Thai, from the ring to the cage
- Decisive, fast shooting in low, mixed, and harsh gym light
- Fighter, corner, and coach detail — the wrap, the exchange, the ground, and the moments between
- Full range — training and sparring, prep and portrait, and the aftermath
- Images built for fighter brand, fight promotion, sponsor recap, social, and editorial use

Combat-sports and fight coverage. Discipline-led; a representative portfolio of fight work.
